REMARKS

The present claim amendments are in response to the Office Action of November 4, 2004, which indicated that the previous claim amendments (submitted October 22, 2004) were not entered for failing to comply with 37 CFR § 1.121(h), in particularly for using an improper status identifier ("presently amended"). The Listing of Claims presented with this amendment uses the appropriate indicator, "currently amended" for those claims presently amended. Accordingly, the claims are believed in good condition for examination and allowance. Early action to that end is respectfully solicited.

The Commissioner is hereby authorized to charge any fees in connection with this application and to credit any overpayments to Deposit Account No. 14-1447. If, in the opinion of the Examiner, a telephone conference would expedite the prosecution and allowance of this application, the Examiner is hereby invited to call the undersigned attorney.

Respectfully submitted,

Date: November 23, 2004
